Director : Asst. Prof. Dr. Ahmet Avcı

CAREER CENTER - CAREER, ENTREPRENEURSHIP AND VOCATIONAL TESTING CENTER

We help our students, graduates, and alumni to make informed decisions about their futures by providing comprehensive resources, programs, training, seminars and counseling on career development, personal development, internships and employment by coordinating projects and partnerships between our academic units and various national and international public and private organizations.

We also provide a comprehensive center for our students and graduates so that they can test and evaluate their characteristics and abilities.
